## DASH WIRELESS EARBUDS

## Stay fit while social distancing.

Ensure a secure in-ear fit using the ABS ear holder with adjustable cord so you can enjoy Dash's IPX4 stereo earbuds while practicing your favorite sport. With a built-in microphone and control buttons to play/pause/skip songs and adjust volume, you won't lose momentum while on the run. Finished for the day, store Dash in its rubberized case, available in an assortment of vibrant colors, to show off your brand's message.

## ELOISE SLING BAG

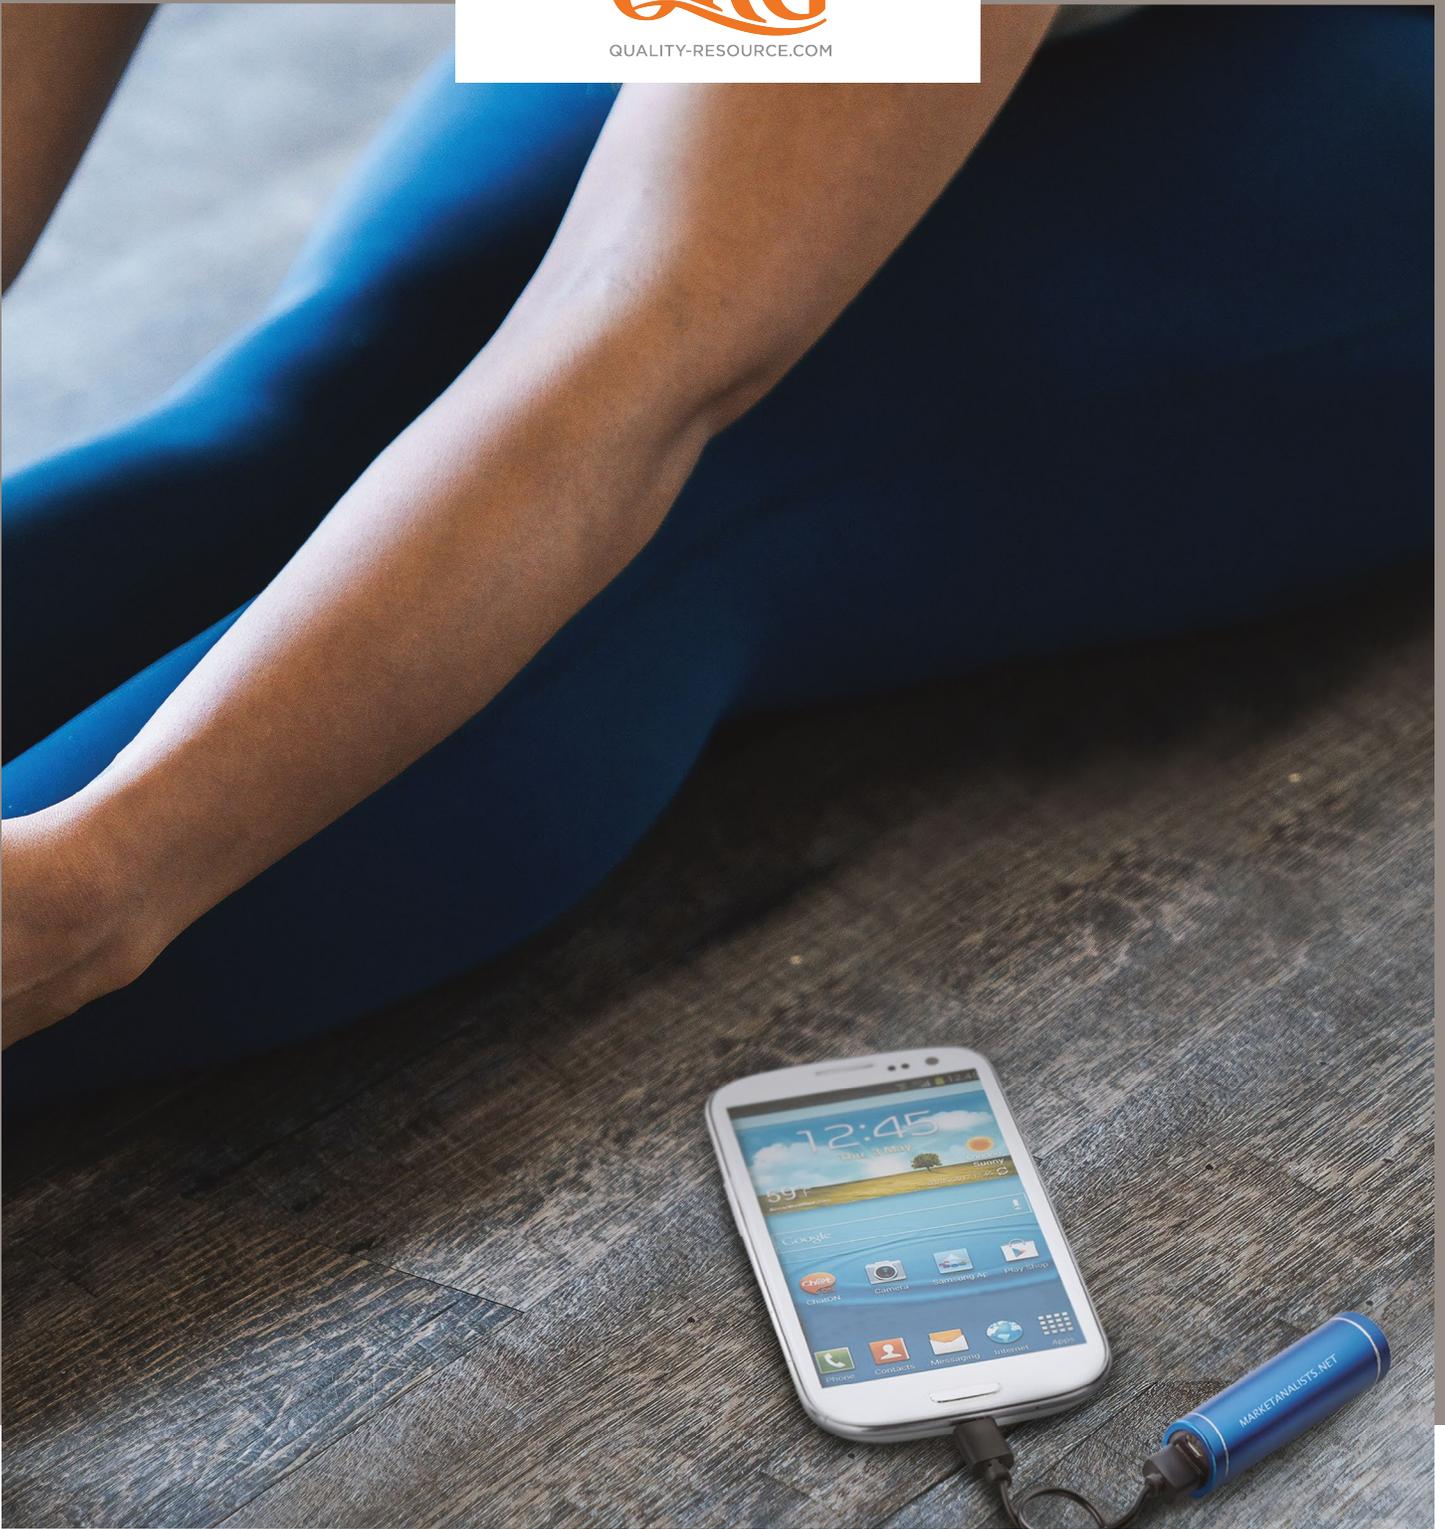

**Not commuting? Use the time to get in some exercise to burn off some of the stress of this challenging time with a brisk walk or jog.**

Cross body comfort, security and convenience. You have it all in Eloise's Neoprene material with an adjustable shoulder strap. Use the headset/earbud slot to listen to your music and the clear window allows touch screen capabilities, all while your smartphone is securely inside the sports bag. Inner mesh pocket will securely keep your personal items in place while you are on the go!

**PARDO G-2**  
2,200 MAH UL CERTIFIED POWER BANK

**Keeping busy  
and in shape.**

Don't put off keeping in shape because you are worrying that your phone power will prevent you from being accessible when away from your home office. Pardo will-ensure you are always fully charged.
